menu of spa services

Striving for a greener Earth, Blue Marble Spa exists on the shore  
where the land meets the sea. Where what washes away gives new life.  
Where forward-thinking ideas and people meet.

## hyatt pure

Hyatt Pure is a worldwide collection of extraordinary spas, ranging from urban to resort in setting. Each Spa is custom-designed to embrace the local environment and culture and provide an authentic indigenous experience. Returning to the true definition of spa, “sanitas per aquas,” Latin for “healing by waters,” treatments and services incorporate the principles of hydrating the body to promote wellness and renewal.

restore. cultivate. connect.

With our commitment to wellness, healing, and the environment, we reveal beauty inside and out by promoting life and spa in harmony with nature.

Adopting ecologically friendly practices focused on inspiring the spirit and building positive health,

Blue Marble incorporates natural products and resources harvested from the land and sea to restore your inner glow, cultivate your environmental and spiritual awareness, and connect you to the self-healing, curative power of nature.

Centered in an intimate space colored with the beauty of the natural world, Blue Marble provides a wellness experience that restores, cultivates, and connects you with the vital energy all around you.

# spa, naturally

## blue marble

Named for 'The Blue Marble,' the most famous picture of the earth, our Spa is powered by the insight this photo revealed—both the beauty of the planet as well as its inherent vulnerability.

## eco-friendly

Our operations have been carefully considered so that we make the lightest impact on the planet as possible. Blue Marble provides a model for natural wellness and a place for education and eco-experience.

## pure nature

Rest assured, Blue Marble fully supports your pursuit of a healthy, green lifestyle. Using 100% clean, natural, and organic products, Blue Marble treatments are free of synthetics, artificial preservatives, and toxic ingredients.

## the elements

Experience Blue Marble surrounded by the natural beauty of our outdoor Earth Garden, or connect with nature in the serenity of a private spa cabana.

# blue marble journeys

Connect to the intrinsic healing power of nature, cultivate both your own beauty and that of the natural world, and be restored as the four essential elements soothe your body, mind, and spirit.
